«How to join a board as non-executive director»

**On behalf of YPO Gold Zurich Day Chair, Denise Koopmans**

To Member and Spouses of YPO GOLD & YPO Zurich & YPO Alpine

Dear all

Have you always dreamed of sharing your professional experiences with other companies via a non-executive board seat, then this is the opportunity for you to find out if a non-executive board director role could be something for you.

Colleague YPO members who are experienced board directors will share with you in a confidential setting their experiences and share with you how they got elected on the board of companies like SBB, Raymond Weil, Alco Suisse, Sanoma, Nobel Biocare etc. We will cover board roles at public, private, PE backed, family owned and not for profit companies, both national and international during a panel discussion moderated by Dominique Alain Freymond.
